The page contains four faint pencil sketches arranged in a 2x2 grid. Each sketch is enclosed in a light rectangular border. The top-left sketch shows a figure with a long, curved tail or appendage. The top-right sketch shows a figure with a large, rounded head and radiating lines. The bottom-left sketch shows a figure with a long, straight tail. The bottom-right sketch shows a figure with a long, curved tail. The sketches are very light and appear to be preliminary drawings.
